Preservation & Education

Whether you are a casual visitor or a serious student of Civil War history, you can help Pamplin Historical Park. Become a Member and explore America's Civil War through the Park's programs, tours, trails, events, and changing exhibits.

Members also experience the satisfaction of supporting the Park, a Virginia Historic Landmark listed on the National Register of Historic Places, and our important mission to interpret and protect the places where history occurred.

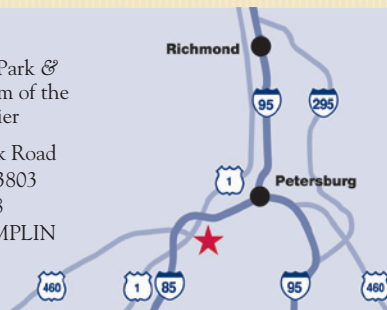

Pamplin Historical Park & The National Museum of the Civil War Soldier is a reflection of the Pamplin family's dedication to family, history, and education. The Park is owned and managed by the Pamplin Foundation, a private non-profit organization dedicated to historic preservation and public education. Dr. Robert B. Pamplin, Jr. is pictured above.
